

## License Agreement for Michael Bauer International Market Data and Geographical Data

**Licensee:** Name & Address of licensee  
**Product:** MB- Digital Boundaries  
 Germany on the level of 5-digit Postcode Areas (Map-ID: DEP20141124)  
 Germany on the Gemeinde Level (Map-ID: DEA20141124)  
 Belgium on the level of 4-digit Postcode Areas (Map-ID: BEP20141124)  
 Belgium on the Commune level (Map-ID: BEA20141124)

**License type:** Internal Use

**Number of Licenses:** 1

### 1. Grant of Licence

The licensee acquires a non-exclusive and non-transferable right to use the licensed product, as a whole or any part thereof, for the above specified number of licenses in a network within its company. For each license one single archival copy may be stored.

The license type "Internal Use" comprises only the usage right for use of the licensed product for own personal or internal economic purposes.

### 2. Prohibited activities:

- removal or obscuring of any copyright, trademark notice, or restrictive legend
- the modification or creation of derivative works of the licensed data
- creation of a derivative product that competes with the licensed data

### 3. Copyright and Labeling

The data licensed is protected by copyright of Michael Bauer Research or the respective copyright-holders as specified in the textfile "copyright.txt" delivered together with each geographical dataset or below the table for each market dataset.

Any publication of the data or transfer of the data to third parties requires prior permission of Michael Bauer Research GmbH. In aggregated form (not in the original form) or for single areas market data can be transferred, mentioning copyright of Michael Bauer Research GmbH in the following form: "© Michael Bauer Research GmbH, Nuremberg".

Michael Bauer Research or the respective copyright-holders retain all rights, title and ownership in trademarks, know-how and proprietary data right, in whole or in part, in its original form and in incorporated form within other studies.

### 4. Liability

Data of Michael Bauer Research GmbH is based on scientific methods, carefully researched and current information and diligent internal processing. However as inaccurate information or errors and the obsolescence of the resource material can never be ruled out completely, we have to limit all liability with all possible direct or indirect consequences to intentional or grossly negligent acts of Michael Bauer Research GmbH. The sole risk with regard to the results by using the licensed product lies with the Licensee.

The data delivered are controlled by antivirus software, nevertheless a complete exclusion of viruses cannot be warranted.

### 5. Proprietary Information

Licensee undertakes to treat Proprietary Information in a strictly confidential manner and to not make same accessible to third parties without prior written consent of Michael Bauer Research.

## 6. Confidentiality

Licensed data contain confidential and proprietary information and material and can contain trade secrets.

## 7. Exchange

The licensed product is non-returnable.

## 8. Validity

The license agreement comes into effect with opening of the package of the data storage medium or – in case of digital transfer – with opening of the file.

If parts of the Agreement are invalid, the remaining terms of the Agreement remain valid.

The invalid parts are replaced with retroactive effect by those legally valid terms that come closest to the intent of the contract partners at conclusion of the contract.

## 9. Choice of Law

This Agreement shall be governed by the laws of the Federal Republic of Germany except for the United Nations Convention on Contracts for the International Sale of Goods (CISG).

## 10. Jurisdiction

The courts in Nuremberg, Germany shall have exclusive jurisdiction over all disputes under and in connection with this Agreement.
